

4. Classroom displays examples of children's work.

4a. Children's work is displayed at their eye level throughout the room.

Description: The children's artwork is proudly displayed at eye level around the classroom for some time before being sent home.

4. Classroom displays examples of children's work.

4b. Children's names are clearly displayed on their work.

Description: The child's name and words are embedded into the artwork.

Description: The artist's name is clearly marked at the top of the painting. With permission, the teacher takes dictation from the child, identifying the elements of the picture.
