### Visuals to support songs and rhymes

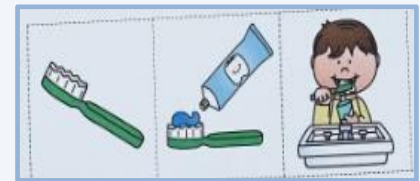

Wheels on the Bus	Doors on the Bus
Driver on the Bus	Lights on the Bus

Class books with photos of children based on books with familiar patterns (ex: Chicka Chicka Boom Boom)

### Visuals for math and counting

Story Sequence: Teach sequencing skills with real-life situations first and then generalize to sequencing story events. Provide communication support during literacy activities.

### Story Sequence

Keep the pages of the book available as cues for first/next/last. Start with actual pages and then use corresponding but different photos.

First – "at the beginning"

Last – "at the end"
