

Group times at school

Sometimes the class has group times such as Circle and Storytime. During these times students sit near one another.

It is important to listen to your teacher.

It is also important to use friendly manners with your friends.

Using friendly manners means keeping your body calm and not touching friends during group times.

1. Sit in your area

2. Calm body

3. Listen and learn

✓ **I did it.**

SELF TALK			
 <p>I can do it!</p>	 <p>This is hard and that's okay.</p>	 <p>I will try again.</p>	 <p>I need help.</p>
