

Embedded instructional strategies in developmental domains

2d. Emphasis on language and communication

Quality indicators:

- Teachers actively engage children in social conversation beyond the scope of the prescribed curriculum **and assist them in using conversational skills in functional ways throughout activities.**
- Teachers identify vocabulary or linguistic concepts and embed them into teaching and learning opportunities, **emphasizing real-life examples and situations that help children generalize the information.**
- Teachers provide opportunities to practice use of new vocabulary or linguistic concepts in varying situations and settings, **including collaborating with families for follow-up.**

Questions to ask:

- ✓ *How do you incorporate language or communication-building activities into all areas of the daily routine?*
- ✓ *What types of questioning strategies do you use to expand thinking and expressive/receptive communication skills?*
