

**3e. There is evidence that teachers communicate and collaborate with families.**

Quality Indicators:

- Teachers and staff maintain regular communication with families about classroom themes, schedules, and goals, including suggestions for follow-up at home.
- Teachers collaborate with families and gain information about children’s use of functional skills, as well as use of skills in various settings and with multiple people and situations.
- Teachers/staff consult with and include related service providers in supporting families’ participation in meetings. Families are provided needed information to be comfortable sharing information about their child.

Questions to Ask:

- ✓ Are families encouraged to visit (within guidelines established by administrator), correspond, and/or make appointments to visit or conference?
- ✓ Do teachers/staff adhere to rules related to confidentiality of students?
