3a. Adults and children are engaged in the current activity

Quality indicators:

- Adults observe and interact with children.
- There is a balance of teacher directed and child directed activities.
- Children have opportunities to make choices and teachers **facilitate** their learning, while **encouraging** their development of independent functioning.
- Teachers have conversations with children and help them relate their classroom experiences to other situations.
- Teachers and staff accept each child's mode of communication and assist children's development of functional communication.

Questions to ask:

- ✓ When do you allow children to make choices?
- ✓ How do you facilitate, rather than direct, instruction?
- ✓ When do you have conversations with children?

Supports, Accommodations, Adaptations

Universal Supports

- → Plan lessons that address varying needs for extended and guided practice, hands-on and functional activities, and real-life, visual, and photo connections.
- \rightarrow Classroom adults provide feedback, redirection, and supports as needed.
- → Classroom adults are observant of children's engagement and functional use of skills for purposes of providing support and progress monitoring

TATS Talks - Supporting Communication

Targeted/Specialized Supports

- → Provide adaptations and modifications as needed to assist children in staying engaged and participating.
- → Include multi-sensory activities related to lessons and themes in centers and activity areas.
- → Relate lessons to real-life activities.
- → Ensure that children are given varying modes to respond to activities, questions, and books.

Embedding Individualized Instruction

Intensive Interventions

- → Consult and collaborate with service providers, therapists, and families to determine children's use of skills and needed supports in areas such as responding and using/manipulating materials.
- → Provide interventions, accommodations, and adaptations to address needs for individual instruction, adapted materials, and physical assistance in multiple situations and settings.
