1. Visual supports are used to enhance instruction

1a. Daily schedule is posted with pictures and words.

Quality indicators:

- The schedule is taught or referred to throughout the day and throughout the school year.
- The daily schedule is posted at the children's eye level and is visible from most areas of the room.
- Classroom staff pairs the use of visuals with verbal information and checks for children's understanding.
- Children are encouraged to follow routines with increasing independence and in various situations.

Questions to ask:

- ✓ How often do you refer to the schedule throughout the day?
- ✓ How do you use the schedule to teach the routine and class expectations?

Supports, Accommodations, Adaptations

Universal Supports

- → Use *mini-schedules* to show the actions associated with routines (ex. handwashing, lining up).
- → Pair the symbol with corresponding verbal directions and provide guided practice through the activity in order to give children practice in the correct actions.
