

### 3d. Adults are interacting with, or facilitating interaction between children.

#### Quality indicators:

- Adults are engaged with activities with children.
- Adults allow children to assume to role of activity leader and follow the lead of the children.
- Adults give children the strategies they need to successfully interact with peers and adults.
- Adults exhibit proximity to the children - remaining in areas where children are working and are at the children's eye level.

#### Questions to ask:

- ✓ *When / how do you allow children to "take the lead" in the classroom or during unstructured activities?*
- ✓ *How do you help children develop independence in their interactions with peers and adults?*
